THE TRAINING CENTER - Additional Requirements for Registration at both campuses

The instructions below come from the TTC website. Please check website for any updates or changes.

“To register for a class, please:”

1. “Please print a **Family Agreement** 2017-2018 form and return with your **\$50 FAMILY membership fee**. TTC’s mailing address for both campuses is: The Training Center, P.O. Box 1122, Conroe, TX 77305.
2. Fill out a **Class Registration Form** and mail with your post-dated July 1st and August 1st payments, along with any supply fee, to the class teacher (see the **teacher page** on the website for address and contact info). Please note: Mrs. Garza and Club Explore have their own specific registration forms. (*This form is it for Mrs. Garza’s classes.*)
3. If T-shirts are needed, please print & fill out a **T-Shirt Order Form** & mail your check along with the Family Agreement, so that T-shirts will be ready for you at orientation. See **T-shirt Information** for your class color options. Note: TTC T-shirts are required to wear to class.”

“General Dress Code: All students are expected to follow the dress code while on TTC premises. If a student is out of dress code, they will not be allowed to attend class. The student will be required to call a parent and wait in the front lobby until they receive a change of clothes. When they are dressed according to the dress code policy, they may attend their next class. They cannot, however, interrupt the class they were dismissed from.

This dress code will be **strictly enforced**, so please double-check your child’s attire before leaving the house. Teachers have the right to remove student from the class for any dress code violation.

A Training Center shirt must be worn by all students while on campus. Both the short sleeved t-shirt and long sleeved t-shirt is acceptable. The Training Center logo must be visible.”

Students, the purpose of TTC dress code policy is for your fellow students to see you first and not parts of your body.

Thank you for assisting in glorifying God in word, deed, and dress, as well as helping create an environment better suited for you and fellow students to build friendships and focus on learning more about God through science. Mrs. Garza ☺
