Family Agreement

Students must be mature enough to follow these rules and obey adult authorities respectfully, or they will not be allowed to attend classes at the Training Center.

General Dress Code: All students are expected to follow the dress code while on TTC premises. If a student is out of dress code, they will not be allowed to attend class. The student will be required to call a parent and wait in the front lobby until they receive a change of clothes. When they are dressed according to the dress code policy, they may attend their next class. They cannot, however, interrupt the class they were dismissed from.

This dress code will be **strictly enforced**, so please double-check your child's attire before leaving the house. Teachers have the right to remove student from the class for any dress code violation.

Dress Code:

A Training Center shirt must be worn by all students while on campus. Both the short sleeved t-shirt and long sleeved t-shirt are acceptable. The Training Center logo must be visible.

- _ Students may wear sweatpants/joggers if not tight fitting. No yoga pants or leggings.
- _ No low-rise apparel is allowed. No underwear should show at anytime.
- _ All teachers have the right to ask that hats or caps be removed while in their classroom.

Girls

- _ Skirts may be worn; however they must be knee length and have slits no higher than 2 inches above the knee.
- _ Legging/yoga pants may not be worn.

The Training Center will provide an area for students who are between classes to wait. This is not designed for students to "hang out" before or after their classes are completed for the day. Please pick your child up promptly after their last class. All students must be off campus no later than 10 minutes after their last class of the day.

The Study Hall is only for Jr. High and High School students attending classes at The Training Center. Students must register for Study Hall on the Family Agreement Form.

Rules and Conduct: Any student who violates these rules will be sent home.

1. All students must be in a classroom or in the Study Hall at all times. Students are NOT permitted to hang out outside or in the parking lot. Students may NOT sit in cars.
2. Electronics will be allowed as long as headphones are used. No sharing of electronic devices will be allowed and they may not be displayed or used any other place other than study hall.
